Subject: Today's schedule

I wanted to let you know I am planning on attending today's meeting. I know you / all can do great without me but I really support you and CP needs to see the group unified.

I spent 2 1/2 hours with PA. Will update the team today.

Also I have rescheduled with Sharon. I am taking off tomorrow and will spend a quality day with her.

Tell Todd we are cheering for him. Thanks for letting me be part of you team. God bless. Tom

Subject: Valley highways

Leo- let's make sure adequate funding for continued progress on Palmer-Wasilla Hwy is in this ye's budgets- any amendments have to be in by Tuesday. The road, as you know, is deadly and so overcrowded.

Subject: Quick Notes

1. I had several women approach me at church last night and ask me to communicate their thanks for you doing the video for the ChangePoint Refresher. They were in the audience during the Refresher and appreciated your personal, encouraging words.

2. The Ear today reported on Halcro's brother in law at BP. That didn't come from me or anyone that I know of--though I'm not too sad it's out there.

Hope you guys have a good IronDog start and a safe trip!

Sean
